Charitable Foundation

**Half, 0.5, ½, half-full, half-empty, however you look at it a half is a half!**

**Here's a chance for lots of halves to add up to much more than one whole!**

### **The Half % Club**

Over the last 2 years, we have had a brilliant experience with The Big Half marathon. It has brought our school community together and provided a superb vehicle to raise funds that have helped us begin the transformation of our local community.

Now, we want to take it to the next stage.

The Half % Club is the best way to support the work of our charity. It means everyone can give according to what they can afford and is a practical progressive way to donate.

To join the Club you commit to giving 0.5% of your monthly income, via Direct Debit, to the Manorfield Charitable Foundation. It is a small amount per month but, with multiple club members, it will make a massive difference to the community around Manorfield.

The easiest way to join is to go to <https://www.goldengiving.com/secure/direct-debit/create/manorfield-charitable-foundation>

All the Trustees of the charity have signed up and we hope that this becomes the backbone of the charity and grows to sustain our work into the future. All funds raised go directly into the delivery of our projects, as the charity has no overhead costs.

Once you are a member of the club you will receive regular updates on what we are doing and how we are supporting Manorfield Primary School and its wider community.

This isn't something we want to do half-heartedly or half-baked. The more people we get involved, the bigger impact we can have – you could even get your other half signed up too!
